Report: Workshop on "Recent Trends in Applied research"

Name of department	Department of Computer Science and Engineering
Name of the Event Organized	Recent Trends in Applied research
Date of Event Organized	29.05.21
Time	9.00am to 5.00pm
No. of participants	69
Name of Chief Guest / Speakers	Dr.P. Nagabhusan, Indian Institute of Information Technology, Allahabad, (U.P.) INDIA
Online Link	https://zoom.us/j/95773454541

Profile of Resource person:

P. Nagabhushan, professor, Department of Studies in Computer Science, University of Mysore, has been appointed the new director of the Indian Institute of Information Technology (IIIT), Allahabad for five years. He wants the institute to re-engineer the education process itself, devise newer tools, and increasing skills to a higher level. "The entire process of learning and researching should simply result in performing actions innovatively in and across all related faculties of engineering, technology, and science encompassing humanity,"

Description of the Programme:

Recent Trends in Applied Research is a virtual workshop based on enabling platforms to present research results relating to global issues. This event is hosted by Dr. Nagabhusan, IIIT Allahabad. The main objective of this event is to discuss current trends in research with implications on global phenomena such as COVID-19, economic growth & development, and so on. Basically, participants discussed extensively vital topics on recent trends and issues in

One-day Entrepreneurship workshop on Hardware Product Design - PROGRAM REPORT

Name of department	Electronics and Communication Engineering		
Name of the Event Organized	One-day Entrepreneurship workshop on Hardware Product Design		
Date of Event Organized	23.04.2021		**Timings:** 9 AM to 4 PM
No. of participants	48	**Meeting link**	https://meet.google.com/qrd-xoau-hht
Name of Chief Guest / Speakers	Mr.R. Guhan, Technical Head, Caliber Embedded Technologies India Pvt.Ltd, Coimbatore		

Description:

   Our HOD gave an introductory statement on the workshop's aims at the start of the program. Mr.R.Guhan emphasized the specific examples of hardware design products in various industries. He discussed how the product is designed in a variety of smart technology domains such as PCB, PLC, etc. This workshop's overall conclusion was highly perceptive and informative. The participants in this course discussed their queries and ideas concerning the product designs. At the conclusion, feedback from students and faculty members was collected.

The important role of intellectual property along with the types will be discussed. The development of business models along with the budget and finance issues will be taken up by the experts.

Objective

The objective is to introduce the participants with fundamental of entrepreneurship development so that they can understand the requirements and challenges in this area. The applied aspect of this workshop will be the practical sessions where they can apply this knowledge in decision making. Following are the key learning objectives of this workshop:

- To understand the concept of Entrepreneurial Development
- To understand the main components of Entrepreneurship Development;
- To understand the relationship between innovation and entrepreneurial development;
- To understanding the theories of innovation and entrepreneurial development;
- To know the various techniques of innovation and promoting entrepreneurial culture.

Speaker Profile

Elango B, Entrepreneur, Coimbatore, Tamil Nadu, India is having 10+ years of experience in executive search especially in Manufacturing, Energy (Conventional/ Non- Conventional), Communications & Technology domain including niche technologies etc. He has been instrumental in executing various Leadership and VP/Functional Heads level searches for top Indian & Multi-National corporations. He is also a TEDx speaker and a technology evangelist who tries to share hard-earned advice and best practices from his two dozen years of professional experience. Beyond work, he is a contra-academician at heart. Feeling strongly that the education system in India needs a reboot, he also walked the talk, doing his own small bit by 'free-schooling' his 20-year-old son at home.

WORKSHOP ON

"BUILD YOUR OWN BUSINESS-AN ENTREPRENEURIAL REVIEW"-

PROGRAMME REPORT

Name of department	Electrical and Electronics Engineering
Name of the Event Organized	Workshop on "Build Your Own Business-An Entrepreneurial Review"
Date of Event Organized	17.03.2021
No. of participants	45
Venue	MBA Seminar Hall
Name of Chief Guest / Speakers	Elango B, Entrepreneur, Edelweiss Housing Finance Limited Coimbatore, Tamil Nadu, India

Description

Entrepreneurship Development is gradually becoming very significant in various areas of economic development. Innovative start-ups and new enterprises act as a catalyst for the economy. Novel opportunities and market gaps are identified and resources are allocated to them to produce something new and useful. The need of the hour is to develop effective policies to cater to the new challenges such that the modern day problems can be solved. The workshop focuses on the basic and advanced approaches of entrepreneurial development and how it can be imbibed to the participants.

The pedagogy aims on the skills necessary for entrepreneurship and successfully managing it. The planning, development and initiation of the innovative ventures stage wise will be inculcated to the participants. The areas covered include the foundations of entrepreneurship development along with tools and techniques for creative and innovative thinking.

AWARENESS PROGRAMME ON

"Intellectual Property Rights"

PROGRAMME REPORT

Name of department	Electrical and Electronics Engineering
Name of the Event Organized	Awareness Programme on"Intellectual Property Rights "
Date of Event Organized	17.03.2021 (AN)
No. of participants	41
Venue	MBA Seminar Hall
Name of Chief Guest / Speakers	Dr.S.Ramkumar, Principal, United Institute of Technology Coimbatore, Tamil Nadu, India

Intellectual Property Rights

Intellectual Property Right plays a key role in gaining advantages position to promote economic growth of our nation. India enjoys a large asset of R&D personnel and infrastructural facilities. Scientists and policy makers need more information, orientation and facilities for protecting the products of intellecutal prowess of Indian Scientists. Hence this workshop was organised to sentsitise about the IPR to the members of faculty and students.

Programme Content

The following topics were covered in the session.

- Intellectual Property Rights(IPRs) - An Introduction with need of its protection
- Copyright and Trademark Management in India with case studies
- Ethical Issues related to Clinical Trials and IPR
- Compulsory licensing and Bolar Exemption in India
- Patenting of pharmaceutical compositions and medical devices - Guidelines
- Procedure of Patent filing, Commercialization of patents
- Patent System in India and National Biodiversity - Biotechnological Inventions
- Tools for Patent Searching - Panel Discussion on Life Science Invention

Seminar on How to Write Research Papers for Journal Publications-
PROGRAM REPORT

Name of department	Electronics and Communication Engineering		
Name of the Event Organized	Research Seminar on How to Write Research Papers for Journal Publications		
Date of Event Organized	14.10.2020	**Timing**	10 AM- 1PM
No. of participants	58	**Venue**	Seminar Hall, Ground Floor, KCE
Name of the Chief Guest / Speakers	Dr.V.L.MANGESH, Associate Professor, Department of Mechanical Engineering, Kathir College of Engineering, Coimbatore-62		

Description:

The primary intention of organizing this seminar was to acquaint the participants on how to write effective research papers based on the requirements of different cited journals. The program was intended to promote knowledge on research activities among the students. He also enlightened on Funded projects and various Funding agencies. He also deliberated with a sample of writing papers for specific ideas. Mainly, he has emphasized on how to translate an idea into a suitable research enquiry and select an appropriate methodological approach.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

PROGRAM REPORT: Workshop on How to write good proposal for Funded Research Projects'

Name of department	Department of Computer Science and Engineering
Name of the Event Organized	How to write good proposal for Funded Research Projects
Date of Event Organized	30.09.20
Time	9.00am to 5pm
No. of participants	66
Name of Chief Guest / Speakers	Dr.P. Nagabhusan, Indian Institute of Information Technology, Allahabad, (U.P.) INDIA
Link	http://zoom.us/j/95773454541

Profile of Resource Person:

Dr. P. Nagabhushan, professor, Department of Studies in ComputerScience, University of Mysore, has been appointed the new director of the Indian Institute of Information Technology (IIIT), Allahabad for five years. He wants to re-engineer the education process itself, devise newer tools, and increasing skills to a higher level. His view is the entire process of learning and researching should simply result in performing actions innovatively in and across all related faculties of engineering, technology, and science encompassing humanity.

Description of the Event:

Dr. P. Nagabhushan explained a project proposal document that outlines everything stakeholders need to know to initiate a project. Its a necessary step towards getting a project off the ground. A project proposal is usually

selected during the project intake process. He discussed the basic steps of writing own project proposal.

- Step 1: Defining the problem
- Step 2: Presenting solution
- Step 3: Defining the deliverables and success criteria
- Step 4: Stating the plan or approach
- Step 5: Outlining the project schedule and budget
- Step 6: Tying it all together
- Step 7: Editing/proofreading the proposal

Action Taken:

Based on the recommendation, Dr.Nagabhusan shares his notes, and sample proposals to our faculty members.

The Department of CSE provided all the kind of activities which are related to funded research projects. Our department supported to faculty members by introducing research activities. As per request, we are planning to conduct one more workshop regarding research activates as early as possible.

Programme Report

Department of Mechanical Engineering

Online workshop on Industry relation, Research & Development

The online workshop on "Industry relation, Research & Development" was organized on 21.08.2020 for all students at 10 am by Department of Mechanical Engineering through Entrepreneurship Development Cell. The programme was started by welcoming the guest Dr. Balamurugan P by the Head of the department.

The workshop agenda highly contributes about the Industry Relation, Research & Development follows,

- The behaviour of workers in organizations in which they earn their living and communication
- The concepts of the employee, employer and the union.
- Activities that companies undertake to innovate and introduce new products and services.

At the end of the workshop, the resource person has given the various valuable information about the research and development and Industry relations. Finally the Head of the Department, Mechanical Engineering concluded the session by delivering the vote of thanks.

Programme Report

Department of Mechanical Engineering

Online workshop on "Research funding opportunities"

The online workshop on "Research funding opportunities" was organized on 15.05.2020 for all students at 10 am by Department of Mechanical Engineering through Entrepreneurship Development Cell. The programme was started by welcoming the guest Dr. R. Harikumar by the Head of the department.

The workshop agenda highly contributes about the Research funding as follows,

- The various funding agencies for applying for research grants
- The preparation and documentation on the formats for the research funding
- The current and future opportunities for the research funding from different agencies in India
- The critical areas are need to focused for obtaining the research funding

At the end of the workshop, the resource person has given the various valuable information about the research funding and case studies. Finally, the Head of the Department, Mechanical Engineering concluded the session by delivering the vote of thanks.

Programme Report

Department of Mechanical Engineering

Online workshop on "How to apply Patent easily"

The department of Mechanical Engineering has organized a one day online workshop on "How to apply Patent easily" was organized on 10.04.2020 at 10 am. The main objective of this workshop is to impart fundamental knowledge of patents and filing patents. The programme was started by welcoming the guest Prof. S. Aravind by the Head of the department.

The workshop agenda highly contributes about the how to apply Patent easily as follows,

- Intellectual Property Right plays a key role in gaining advantages position to promote economic growth of our nation. India enjoys a large asset of R&D personnel and infrastructural facilities.
- The concepts of the Tools for Patent Searching - Panel Discussion on Life Science Inventions
- Highlighting the importance of documenting ideas properly and patenting it, he said that in the coming years the country will be known for its scientific creations in different fields

At the end of the workshop, the resource person has given the various valuable information about the filing patent. Finally, the Head of the Department, Mechanical Engineering concluded the session by delivering the vote of thanks. The session was very informative and the participants were interacted frequently with the resource person.

involved in obtaining Indian and foreign patents and the need for patent searches. Finally she focused on how to win patents and its commercialization. The questions were reserved for the discussion session.

Subsequently, G.Jeyanageswari delivered a lecture on "Patent filing procedure and commercialization". She elaborated the way to prepare a patent document for filing with the patent office. She explained various components of a patent document, the methods of preparation, various kinds of forms which one has to fill and submit to the IPR office. Various stages involved in the processing of patents were explained. The legality involved in patent filing, patent opposition and litigation aspects were discussed. She explained the strategies adopted for commercialization. She end up with putting questions to the audience in the form of multiple choice questions which evoked good reply and interaction from the participants.

Two-days' Workshop on Opportunities for Entrepreneurs –

PROGRAM REPORT

Name of department	Electronics and Communication Engineering
Name of the Event Organized	Two-days' Workshop on Opportunities for Entrepreneurs
Date of Event Organized	30.01.2020 & 31.01.2020 **Timings:** 10 AM to 4 PM
No. of participants	61
Name of Chief Guest / Speakers	Mr.K.Senthil Kumar, The Managing Director, Digital Valley India, Coimbatore-641012

Description:

This workshop was designed to provide participants with the necessary skills and understanding of the entrepreneurial framework in order for new entrepreneurs to deliver high-quality results. Mr.K.Senthil Kumar emphasized the need of instilling confidence in young people and expanding their business knowledge. He discussed many forms of entrepreneurship challenges, such as contactless business, remote working, and so on. He also discussed how an entrepreneur should operate and key characteristics linked with becoming an entrepreneur, such as creativity and innovation. The attendees learned about the kind of talents that are needed in the business world and how an individual can start their own firm in both an offline and online setting. The topics covered in this Workshop are:

❖ Entrepreneurship and Innovation as an alternative career

❖ Practical entrepreneurial skills & knowledge

❖ Interpersonal skills & Innovation

A One day Research Seminar on Communication Engineering

REPORT:

Name of the Event Organized	Oneday Research Seminar on Communication Engineering
Date of Event Organized	16/10/2019
Time	9.00am to 1.00pm
No. of participants	47
Name of Chief Guest / Speakers	Dr. J. Geetha Ramani Department of ECE

Resource Person Profile:

The guest speaker Dr. J. Geetha Ramani, having 7+ years of rich experience in Design- Control and Protection, Electrical BOP, R&D- Automation, Sourcing- Tendering Support and Vendor Management. During her 7+ years in Design Engineering, she gain comprehensive knowledge in design engineering, preparing design schematics for protection, modifying as well as upgrading existing designs. She worked on communication protocols – IEC 60870-5-101, IEC 60870-5- 104 and IEC 61850. She had prior experience in Design Engineering with Andritz Hydro Private Limited and in R&D and Sourcing (Tendering Support) with Schneider Electric Infrastructure Limited.

Event Report:

The session was very interactive and students participated enthusiastically. In the beginning she gave the introduction on Substation, Generating Station and Substation Automation Systems. Later she explained electrical protection, different controllers employed in Automation Systems, devices. She explained typical SAS architecture, MiCOM C264/C264C, Datapoints, Types of Datapoints, OSI model, IEC 61850) SI model

PRINCIPAL
Kathir College of Engineering

and IED structure. As per the feedback received from the participants it was very good learning experience, the lecture helped them in their understanding the Substation-Control, Automation and Protection.

Action Taken:

The department of CSE provided all kind of activities which are related to Communication Engineering. Based on recommendation, Dr. Geetha Ramani shares her presentation to students and also shares her real time application in Communication Engineering.

Two days' workshop on Smart Phone Troubleshooting – PROGRAM REPORT

Name of department	Electronics and Communication Engineering
Name of the Event Organized	Two days' Entrepreneurship workshop on Smart Phone Troubleshooting
Date of Event Organized	13.09.2019 & 14.09.2019 **Timings:** 10 AM to 4 PM
No. of participants	56
Name of Chief Guest / Speakers	Mr.B. Krishnakumar, The Managing Director, New Technology, Coimbatore

Description:

    The session began with an introductory speech on the workshop's aims at the start of the programme. The workshop's goal is to provide hands-on instruction in smart phone internals and to understand how smart phones work. It is intended to give the students a good understanding of how smart phones can be used. The Resource Person spoke extensively on how to develop apps for mobile devices frequently necessitates mastery of a variety of complex ideas. He also highlighted on Software troubleshooting of Mobile phones and various app development tools. The topics covered in this workshop are:

- ❖ Micro Soldering
- ❖ Screen repair techniques
- ❖ Software troubleshooting, etc

FEEDBACK FORM

Two days' Entrepreneurship workshop on Smart Phone Troubleshooting

STUDENT NAME: JEBA S

DEPARTMENT: ECE

DATE: 14 09 2019

We hope the workshop was educative and satisfactory. Please fill the form with your feedback so that it will be useful to improve the quality of the subsequent programs.

	1	2	3	4	5
1. The Workshop met its stated aims and objectives.				✓	
2. The information shared were relevant and useful.				✓	
3. The Resource Person provided adequate time for questions & answered them satisfactorily				✓	
4. The time allocation was satisfactory			✓		
5. The Workshop was well organized				✓	
6. The materials provided were adequate and useful			✓		
7. Rate the Presenter's knowledge on the topic				✓	
8. Overall the sessions were informative					✓
9. What new skills you learnt which you will put topractice	Leadership - Skills				
10. Suggestions if any, for future programs

One day Research Seminar on Ad-Hoc Mobile Distributed System in Cloud Computing

Feedback Form

Kindly give your feedback and suggestions if any on all the technical sessions and rate us Very good/Good/Average for the following statements

S.No	Statements	Feed Back
1.	Contents and its relevance topic	Good
2.	Discussion on the Ad-Hoc Mobile Distributed System in Cloud Computing	Good
3.	Was the speaker audible and clear in his presentation	V. Good
4.	Visual presentation and its relevance to the Ad-Hoc Mobile Distributed System in Cloud Computing	Good
5.	Value additions	V. Good
6.	General arrangements and hospitality	Good.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

A one day research seminar on Ad-Hoc Mobile Distributed System in Cloud Computing

PROGRAMREPORT:

Name of department	Department of Computer Science and Engineering
Name of the Event Organized	A One day Research Seminar on **Ad-Hoc Mobile Distributed System in Cloud Computing**
Date of Event Organized	17.08.2019
Time	9.00am to 5pm
No. of participants	57
Name of Chief Guest / Speakers	**Ms.S.Arunapaul** Technical head- Guvi Geek Networks Pvt Ltd

Profile of Resource Person:

Ms.S.Arunapaul has 5 years of hands-on experience in implementing and designing backend services in addition with 3+ years of full stack development. She Specialties in Design and implement scalable, fault-tolerant, high-performance end-to-end systems, Maintain and add new features into existing systems, Migrating from monolith legacy code base architectures into scalable micro-webservices on cloud technologies like AWS by a proper planning and testing, Optimize both code base and independent systems to increase performance in both async event-driven and synchronous architectures.

PRINCIPAL
Kathir College Of Engineering
Neelambur
Coimbatore - 041 062.

Description of the Event:

Ms.S.Arunapaul explains the unabated flurry of research activities to augment various mobile devices in terms of compute-intensive task execution by leveraging heterogeneous resources of available devices in the local vicinity has created a new research domain called mobile ad hoc cloud (MAC) or mobile cloud.

ACTION TAKEN:

According to the students' wish, Ms.S. ArunaPaul discussed several problems inhibiting the adoption of MAC and review corresponding solutions by devising a taxonomy.

Respected Sir,

Sub: Requesting Permission to conduct Workshop - Reg.

It is planned to organize a one-day workshop on "Patent proposal writing" on 05/04/2019 by Dr.M.L.N Madhumohan, Professor, Department of ECE, Bannari Amman Institute of Technology. The objective of this workshop is to promote the knowledge on Patent & Project Proposals for our UG & PG final year students and our faculty members. We request you to kindly approve the same and allow us to proceed further.

Thanking You

With Regards,

M. C

One-day workshop on Patent proposal writing- PROGRAM REPORT

Name of department	Electronics and Communication Engineering
Name of the Event Organized	One-day workshop on Patent proposal writing

Date of Event Organized	05.04.2019	**Timing**		10 AM- 4 PM
No. of participants	61	**Venue**		Seminar Hall, II Floor, KCE
Name of the Chief Guest / Speakers	Dr.M.L.N. N MADHUMOHAN, Professor, Department of Electronics and Communication Engineering, Bannari Amman Institute of Technology			

Description:

The importance of intellectual property rights and their protection, patenting procedures and patent informatics, patent searches, the role of innovation and invention in academia-industry collaborations, trademark and copyright protection, and issues of dos and don'ts for researchers in the context of publishing and patenting were all discussed at this workshop.

The speaker discussed about the relationship between inventions and innovations, the differences between lab research and inventive research, and various models of academia-industry collaborations, as well as the limits faced and the Government of India's efforts to provide financial support for this endeavour.

FEEDBACK FORM
One-day workshop on "Patent proposal writing"

STUDENT NAME: AHALYA Y

DEPARTMENT: ME CSE

DATE: 5/4/2019

We hope the workshop was educative and satisfactory. Please fill the form with your feedback so that it will be useful to improve the quality of the subsequent programs.

	1	2	3	4	5
1. The Workshop met its stated aims and objectives.					✓
2. The information shared were relevant and useful.				✓	
3. The Resource Person provided adequate time for questions & answered them satisfactorily				✓	
4. The time allocation was satisfactory				✓	
5.The Workshop was well organized			✓		
6. The materials provided were adequate and useful				✓	
7.Rate the Presenter's knowledge on the topic					✓
8. Overall the sessions were informative					✓
9. What new skills you learnt which you will put topractice	✓				

10. Suggestions if any, for future programs

This workshop was very informative & useful for our publications & further Research

PROGRAM REPORT

Name of department	Electronics and Communication Engineering			
Name of the Event Organized	One-day workshop on Research proposals and Grants			
Date of Event Organized	11/02/2019	**Timing**		10 AM- 4 PM
No. of participants	59	**Venue**		Seminar Hall, II Floor, KCE
Name of the Chief Guest / Speakers	Dr. B. Gopinath, Associate Professor Department of Electronics and Communication Engineering, Kumaraguru College of Technology			

Description:

The resource person made participants familiarize with how to draft excellent research proposals that met the needs of various funding organizations. During the discussion, he discussed the necessity of funding as well as the hurdles involved in obtaining funds for sponsored research. He also insisted on list of funding agencies, how to choose a funding agency, how to write an effective application, and what to keep in mind when drafting a proposal. A sample exercise was given to students for writing a successful grant request to various funding schemes.

Programme Report:

Department of Mechanical Engineering

One Day workshop on "Research opportunities in DRDO"

The one day workshop on "Research opportunities in DRDO" was organized on 13.10.2018 for all students at 10 am by Department of Mechanical Engineering through Entrepreneurship Development Cell. The programme was started by welcoming the guest Dr. K. Ramesh by the Head of the department and then honored the guest by Principal.

The workshop agenda highly contributes about the Research opportunities in DRDOas follows,

- The scheme of research fellowships in DRDO
- The various funding opportunities in DRDO
- The current and future opportunities for the final year students to apply the project in DRDO
- The critical areas in the defence research projects

At the end of the workshop, the resource person has given the various valuable information about the research opportunities and case studies. Finally, the Head of the Department, Mechanical Engineering concluded the session by delivering the vote of thanks.

Sub: Requesting permission for conducting Hands on Training on digital marketing and Search Engine Optimization.

Respected sir,

As the trend of digital marketing is increasing day-by-day, the students need to gather immense knowledge about digital marketing and its benefits. Addressing to this need the department has planned to conduct a Hands-on Training on digital marketing and Search Engine Optimization for our CSE students. It will be a one-day hands on training, which will be scheduled for 29.09.2018

It will be open for both the students of our college as well as from the neighboring colleges also.

The session will be handled by Mr. M. Gokul Anand, Senior SEO analysis, Elysium Academy.

We propose that total budget of 10000/- shall be sanctioned for conducting this training. Kindly find the tentative budget break-up for the training session:

Training Essentials	Budget
Fees/ Remuneration of the resource person	5000/-
Stationary	2000/-
Other miscellaneous costs	3000/-
Total Budget	10000/-

We request you to kindly approve the same.

Yours Faithfully,

Head of the Department

Hands on Training on Digital Marketing and SEO

Program Report:

Name of the Event Organized	Hands on Training on Digital Marketing and SEO	
Date of Event Organized	29.09.2018	**Timings:** 10 AM to 4.30 PM
Resource Person	Mr.R.Gopal Senior Executive Manager, Q3 Technologies	
No. of participants	41	

RESOURCE PERSON PROFILE:

Mr.Gopal R is a great example of a saying "Someone who has been able to not only meet employers expectations, but has consistently exceeded those markers". During his 5 years of Digital Marketing professional career, he has worked on diverse projects consisting of SEO, PPC, SMM, Affiliate Marketing, Blogging, Web Analytic, Local Search Marketing, Lead Generation, Inbound Marketing, Screen Casting etc. His core competency lies in Paid Marketing, PPC, SEO Audits, WordPress SEO, SEO Keyword Research, SEO Competition Analysis and Screen Casting. His work is his Passion and his objective is to assist his clients with the best of knowledge, by staying abreast of updates in Search Engine Algorithms and the Industry, to deliver high ROI. He is fully addicted to Internet Marketing.

In this Digital marketing and SEO seminar he explained to the students how today's businesses are getting their message in front of their best prospects and customers. Digital marketing is no different than traditional marketing. In both, smart organizations seek to develop mutually beneficial relationships with prospects, leads, and customers are working ways he discussed such ideas.

Pentium based computer systems, scanners, servers, laser printers, etc. with the required software applications and also having exclusive Internet facility supported by 10 Mbps. Our Department having separate Department Library, Tutorial Rooms, Modern Teaching Aids (LCD Projector, OHP) and 135 KVA Power Backup. The laboratory staff provides a training platform for students of all branches of engineering, in assembling computers, interfacing with peripheral devices and troubleshooting. We have renowned an IIT Bombay Remote Center to conduct various events through Video Conferencing.

Academic Year 2018-2019:
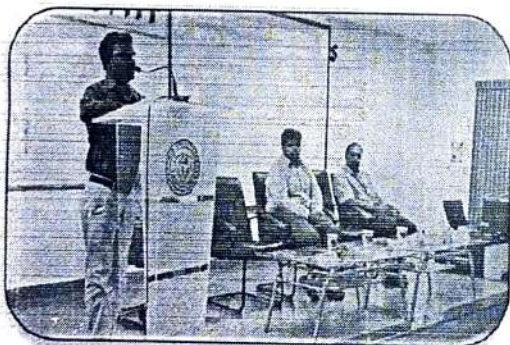

Department Inauguration:

An Inauguration is a time of celebration and anticipation, a moment when an academic institution can affirm its past, define its purpose and interpret its role to a wide audience. The Department Association **"ADONIZ"** is inaugurated every year in order to motivate the students encouraging them to participate in all activities. This year the association is inaugurated on "21.7.2018" at IIT Bombay seminar hall. The function was addressed by **Ms.Shalinie**, Technical head from Elysium Academy on the topic **"SEO"**.

The department has also actively organized various workshops for the students.

A One day hands on training on **"digital marketing and SEO** "was conducted on **"29.9.2018".** The session was handled by **Mr.M.Gokul Anand**, Senior SEO analysis, Elysium Academy. The students gathered immense knowledge about digital marketing and its benefits

Kathir College of Engineering

Description of Event:

Today's computing has rapidly grown from being confined to a single location. With mobile computing, people can work from the comfort of any location they wish to as long as the connection and the security concerns are properly factored. In the same light, the presence of high speed connections has also promoted the use of mobile computing. Being an ever growing and emerging technology, mobile computing will continue to be a core service in computing, and Information and Communications Technology. Mr. Karthikeyan expalins in the terminology of 3G technologies which is the hottest mobile technology available in the market, GPS-a space-based satellite navigation system that provides location and time information, LTE- related with the implementation of fourth Generation (4G) technology, WiMax, Near Field Communication(NFC).

Action Taken:

According to Students' wish, we are planning to conduct one more mobile computing related seminar in future.

To
The Principal,
Kathir College of Engineering,
Neelambur-641062.

Respected Sir,

Sub: Requesting permission to conduct a one day **Research Seminar onGrid and Cloud Computing Technologies**-reg.

The department of CSE has planned to conduct a one day Research Seminar on Grid and Cloud Computing Technologies on 22.06.2018for our CSE students. It will be open for all other departments also.

The session will be handled by Mr. Tamilselvan, Mazenet solutions, Coimbatore.

We propose that total budget of 8000/- shall be sanctioned for conducting this training. Kindly find the tentative budget break up for training session:

Training Essentials	Budget
Fees/Remuneration of Resource person	5000
Stationary	1000
Other miscellaneous costs	2000
Total budget	8000

Kindly acknowledge the same and do the needful.

Thanking you,

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

"One day Research Seminar on Grid and Cloud Computing Technologies"
PROGRAM REPORT:

Name of department	Department of Computer Science and Engineering
Name of the Event Organized	One day Research Seminar on Grid and Cloud Computing
Date of Event Organized	22.6.2018
Time	10.00am to 4pm
No. of participants	60
Name of Chief Guest / Speakers	Mr. Tamilselvan, Program Analyst, Mazenet Solutions, Coimbatore

RESOURCE PERSON PROFILE

Over 4+ Years Experience in Server management and Security, WHM Hardening, Live Server Migrations, Critical Troubleshooting, Linux and Windows Server Installation and Configuration, Main area of experience has been in the capacity of a Linux/Unix Technical Support Engineer, assisting project delivery of various sizes. Expertise in the Linux Server Administration, Server hardening and server security, Google Cloud, C-Panel/WHM, Direct Admin,ISPConfig,Plesk Panel, Apache/Litespeed, Nginx, MySQL, basic PHP, Exim, DNS.

Linux Shared/Dedicated/VPS (Virtuozzo, Hyper-v) server setup, administration and troubleshooting.Server and application security hardening using Firewall, malware antivirus tools and other technologies. Backup Management operations and monitoring(Nagios), Backup taken using Rsync, and tar, applications. Installation, configuration, maintenance and troubleshooting of Apache Web servers,Nginx, Database servers, DNS server, Mail servers (Send Mail, Exims) related problems. Troubleshooting common web server/emails/scripting Linux server and network/Internet connections related problems. Configured and Maintaining Joomla, WordPress, Drupal, and Magento services as per client requirements.

Respected sir,

Sub: Requisition for permission to conduct the workshop – reg.,
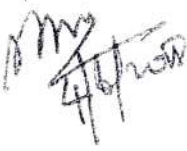

We are glad to inform you that Department of Mechanical Engineering have planned to conduct the one day workshop on **"Scope of IPR"** on **13.06.2018** and the Resource Person will be Dr. Boopathi S, Associate Professor, Bannari Amman Institute of Technology, Sathiyamangalam. This workshop aims to build awareness on DRDO funding among our students and faculty members make them to know about the importance of intellectual property rights. Hence we kindly request you to give permission to conduct the workshop.

Thanking you

With Regards

Dr. R. UDAIYAKUMAR, ME.,Ph.D.,

Programme Report

Department of Mechanical Engineering

One day workshop on "Scope of IPR"

The one day workshop on "Scope of IPR" was organized on 13.06.2018 for all students at 10 am by Department of Mechanical Engineering through Entrepreneurship Development Cell. The programme was started by welcoming the guest Prof. S. Boopathi by the Head of the department and then honored the guest by Principal.

The workshop agenda highly contributes about the how to Scope of IPR as follows,

- Intellectual Property Right plays a key role in gaining advantages position to promote economic growth of our nation. India enjoys a large asset of R&D personnel and infrastructural facilities.
- Importance and scope of IPR in Academic Researches.
- Types of innovations patentable & how to test the patentability of your innovations.
- Procedure of patent writing, patent filing and the process of granting patent.
- Copyright & Related Rights
- Branding & Trademarks
- Industrial Designs
- Geographical Indications

At the end of the workshop, the resource person has given the various valuable information about the importance of IPR. Finally, the Head of the Department, Mechanical Engineering concluded the session by delivering the vote of thanks.

FEEDBACK FORM

Guest Lecture on "Scope of IPR"

STUDENT NAME:

DEPARTMENT:

DATE:

We hope that the workshop was educative and satisfactory. Please fill the form with your feedback. So that it will be useful to improve the quality of the subsequent programs.

	1	2	3	4	5
1. The Workshop met its stated aims and objectives.				/	
2. The information shared was relevant and useful.					/
3. The Workshop was well organized.					
4. The materials provided were adequate and useful.				/	
5. Rate the Presenter's knowledge on the topic.					/
6. Overall the sessions were informative.				/	

7. Suggestions if any, for future programs,

Student Signature

Action taken:

Based on the feedback of the workshop on **"Scope of IPR"** the following actions have been taken,

- ➤ Current trends on IPR will be included
- ➤ More workshops will be conducted based on Intellectual Property Rights

Date of Event Organized	14.3.2018
Time	10.00am to 4pm
No. of participants	61
Name of Chief Guest / Speakers	Mr. Abdul Rasad Technical Analyst Texsas Techno Park

Resource person profile

Mr. Abdul Rasad's aim to create addictive, high quality games. Games are my passion. He has more than 5 years of game programming experience. He has strong knowledge in mathematics, algorithm writing, AI for game objects and plug-in integrations. He has several games in Google Play Store, Apple App Store and Windows Store those are written on C#, Java and Objective C. He also worked as Team Leader in Gaming Company. He provides a satisfaction to customers through his work and his motto is to learn through the work.

FEED BACK ACTION TAKEN:

The department of CSE provided all kind of activities which are related to Artificial Intelligence. We supported our students by introducing a new learning strategy (learning through online games). Our students are trained to handle simple games as well as complicated robotics.

Respected sir,

Sub: Requisition for permission to conduct the workshop – reg.,

The Department of Mechanical Engineering have planned to conduct the one day workshop **"Intellectual Property Rights and Innovation"** on **16.12.2017** and the Resource Person will be Dr. V. Chandrasekaran, Professor, Sri Eshwar college of engineering and Technology, Coimbatore. This workshop aims to build awareness on intellectual property rights among our students and faculty members. Hence we kindly request you to give permission to conduct the workshop.

Thanking you

With Regards

Dr. R. UDAIYAKUMAR, ME.,Ph.D.,
Principal
Kathir College of Engineering

Programme Report

Department of Mechanical Engineering

One Day workshop on "Intellectual Property Rights and Innovation"

The one day workshop on "Intellectual Property Rights and Innovation" was organized on 16.12.2017for all students at 10 am by Department of Mechanical Engineering through Entrepreneurship Development Cell. The programme was started by welcoming the guest Dr. V. Chandrasekaran by the Head of the department and then honored the guest by Principal.

The workshop agenda highly contributes about the Intellectual Property Rights and Innovationas follows,

- Importance and scope of IPR in Academic Researches.
- Types of innovations patentable & how to test the patentability of your innovations.
- Procedure of patent writing, patent filing and the process of granting patent.
- Conversion of the research/project works into Patents and
- Hands-on-Training on patent searches for Innovations.

This workshop will bring a positive transformation in the Faculty member's attitude in their UG/PG Projects and research works and get them more focused as well as result oriented. Finally, the Head of the Department, Mechanical Engineering concluded the session by delivering the vote of thanks.

FEEDBACK FORM

One Day Workshop on "Intellectual Property Rights and Innovation"

STUDENTNAME: Arun. K

DEPARTMENT: MECHANICAL

DATE: 16.12.2017

We hope that the workshop was educative and satisfactory. Please fill the form with your feedback. So that it will be useful to improve the quality of the subsequent programs.

	1	2	3	4	5
1. The Workshop met its stated aims and objectives.				✓	
2. The information shared was relevant and useful.					✓
3. The Workshop was well organized.					✓
4. The materials provided were adequate and useful.				✓	
5. Rate the Presenter's knowledge on the topic.					✓
6. Overall the sessions were informative.					✓

7.Suggestions if any, for future programs,

Expecting more real life examples

Action taken:

Based on the feedback of the workshop on **"Intellectual Property Rights and Innovation"** the following actions have been taken,

- ➢ More real life examples will be provided
- ➢ The breaks will be given appropriately
- ➢ The teams will be allocated
- ➢ More workshops will be conducted based on the IPR

Date of Event Organized	30.10.2017
Time	10.00am to 4.00pm
No. of participants	53
Name of Chief Guest / Speakers	Mr. Abdul Rasad Technical Analyst Texsas Techno Park

Resource person profile

He travels the globe delivering his expertise at the top security conferences. His focus is around digital forensics, block chain and privileged account management. He is focused on teaching us how to defend ourselves online. He is expert in the latest cyber security threats and tips for staying safe online.

Event Description

Artificial intelligence is defined as having machines do "smart" or "intelligent" things on their own without human guidance. As such, AI security involves leveraging AI to identify and stop cyber threats with less human intervention than is typically expected or needed with traditional security approaches. He explains how AI security tools are often used to identify "good" versus "bad" by comparing the behaviors of entities across an environment to those in a similar environment. This process enables the system to automatically learn about and flag changes.

A ONE DAY RESEARCH SEMINAR ON **HOW AI WORKS WITH SMART HEALTH**

CARE SYSTEM

PROGRAMREPORT:

Name of department	Department of Computer Science and Engineering
Name of the Event Organized	A One Day Research Seminar On **How AI Works with Smart Health Care System**
Date of Event Organized	23.10.2017
Time	9.00am to 5pm
No. of participants	53
Name of Chief Guest / Speakers	Mr. Kumaresan, Programer Analyst, Amphisoft Technologies

Resource Person Profile

Mr. Kumaresan has 5+ years experience in this field. He is expertise in Machine learning and Deep learning, AI as well as how technology and data are used in smart cities. He was skilled data processing, Mobile and Web development, DL/ML, AR/VR, Image processing. He provides Creative, Customized & Optimum Legal Solutions for Clients.

Description of Event:

Mr. Kumaresanexplains how radiologists do more than read and interpret images, clinical processes for employing AI-based image work, deep learning algorithms for image recognition require 'labelled data'.

Action Taken:

According to Students' wish, we are planning to conduct hands on session for AI based smart health care system in future.

One-day workshop on "Research Methodology and Research Projects"-
PROGRAM REPORT

Name of department	Electronics and Communication Engineering
Name of the Event Organized	One-day workshop on Research Methodology and Research Projects
Date of Event Organized	24.02.2018	**Timing**	10 AM- 4 PM
No. of participants	78	**Venue**	Seminar Hall, Ground Floor, KCE
Name of the Chief Guest / Speakers	Dr.S.Aravind, Professor, Karpagam Academy of Higher Education, Coimbatore

Description:

The main goal of this workshop was to empower the students with a set of skills and abilities to conduct effective research in social scientific fields and to turn finished research into high-quality publishable material in the form of articles, journals, and books. It is intended to provide researchers with practical instructions and to help them through all stages of research, from defining a research problem to submitting a dissertation, report, or research paper. The resource person insisted on quantitative and qualitative research methodologies that are commonly utilized in research. He also stressed about the quality of Research such as basic assumptions, expects critical interpretations, data collection analysis, validation and to further documentation.

Respected sir,

Sub: Requisition for permission to conduct the workshop – Reg.,

We are glad to inform you that Department of Mechanical Engineering have planned to conduct the one day workshop on **"Experts Talk on Entrepreneurship Development"** on **20.01.2017** and the Resource Person will be Dr. N. M. Dhanu, Professor, VSB Engineering College, Karur. This workshop aims to build awareness on entrepreneurship among our students and faculty members. Hence we kindly request you to give permission to conduct the workshop.

Thanking you

With Regards

Dr. R. UDAIYAKUMAR, ME.,Ph.D.,
Principal

Programme Report

Department of Mechanical Engineering

One Day workshop on "Experts Talk on Entrepreneurship Development"

The one day workshop on "Experts Talk on Entrepreneurship Development" was organized on 20.01.2017 for all students at 10 am by Department of Mechanical Engineering through Entrepreneurship Development Cell. The programme was started by welcoming the guest Dr. N. M. Dhanu by the Head of the department and then honored the guest by Principal.

The workshop agenda highly contributes about the Entrepreneurship Development as follows,

- Promoting First Generation Businessman and Industrialists
- Creating Awareness about Availability of Resources
- Encouraging Self Employment Tendencies and
- Making a Successful Entrepreneur

This workshop will bring a positive transformation in the Faculty member's attitude on entrepreneurship development and get them more focused. Finally, the Head of the Department, Mechanical Engineering concluded the session by delivering the vote of thanks.

One day Research Seminar on IoT with Cloud Computing
Program Report:

Name of department	Department of Computer Science and Engineering
Name of the Event Organized	**One day Research seminar on IoT with Cloud Computing**
Date of Event Organized	17.08.2016
Time	10.00am to 4.00pm
No. of participants	32
Name of Chief Guest / Speakers	**Mr.Abilash** Business Analyst, SVAPAS, Chennai

Resource Person Profile

Mr. Abilash's greatest strength is not the 12 years of experience that he have but it is his ability to keep pace with fast changing software technologies. Here is a list of things you can count on him for:

- Software Architecture Design
- Software Project Management
- Python Backend(Django/Flask)
- Angular Frontend
- AWS Deployment and Maintenance(Serverless, EC2, ECS/EKS)
- ML Model Training and Deployment
- Maintenance of PHP based websites(Wordpress, Laravel, Symphony)
- Android/iOS(Native as well as Cordova/Xamarin)

His design and architectural sense help him write smart and maintainable code. Design sense also helps him develop interesting and intuitive user interface and so he can suggest his clients important issues regarding UI and UX. Testing is also an integral part of his my workflow. All of his backend and most frontend code are unit tested. And he can also do full integration tests where applicable.

Dr. R. UDAIYAKUMAR, ME.,Ph.D.,
Principal
Kathir College of Engineering
"Wisdom Tree" Avinashi Road,
Neelambur,Coimbatore - 641 062.

One Day Research Seminar on Internet of Things with Cloud Computing

Snapshot for IoT with cloud computing

ACTION TAKEN:

Students recommendation Mr.Abilash shared his notes. And also he shares the joining procedure at IIT Madras which is conducting 10 month IoT, cloud course in its campus. As per students feedback advanced level hands on training will be planned for future seminars.

One day Research Seminar on Recent Technologies vs Cloud Computing

PROGRAM REPORT:

Name of department	Department of Computer Science and Engineering
Name of the Event Organized	**One day Research seminar on Recent Technologies vs Cloud Computing**
Date of Event Organized	04.08.2016
Time	10.00am to 4.00pm
No. of participants	30
Name of Chief Guest / Speakers	**Mr.L.RameshBabu** Software Engineer - Polaris, Bangalore

Resource Person Profile

Mr. L. Ramesh Babuis an administrator for Linux and Windows systems with solid industry experience. He is proficient in the management of:

• Operating Systems: CentOS, RHEL, Debian, CloudLinux, Ubuntu, Windows Server.

• Commercial Control Panels: cPanel/WHM, Plesk, DirectAdmin, InterWorx, ISPmanager.

• Free Control Panels: VestaCP, ISPConfig, CentOS Web Panel, Webmin, Ajenti, Froxlor.

• Content Management Systems: WordPress, Drupal, Magento, Joomla.

• Anti-SPAM gateway and software: Scrollout F1, EFA (Email Filter Appliance), MailScanner

• Cloud Services: Amazon Web Services, Microsoft Azure, HP Helion Cloud, Digital Ocean, Linode, Rackspace, Softlayer, Google Cloud Platform.

During the seminar Mr.Ramesh Babu discussed how to

✓ Setup new server. Install/tune control panel for high security and optimal performance.

✓ Optimize server for speed and stability (PHP, Apache/NGINX and MySQL/MariaDB).

✓ Setup DNS cluster for auto-replication and redundancy. Improve email deliverability.

Dr. R. UDAIYAKUMAR, ME.,Ph.D.,
Principal
