## Report:

### Department of Mechanical Engineering

#### One Day workshop on "2D and 3D modelling"

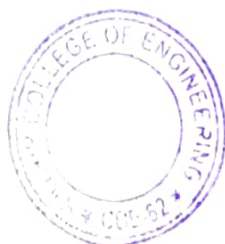

The one day workshop on "2D and 3D modelling" was organized on 15.04.2017 for all students at 10 am by Department of Mechanical Engineering through Entrepreneurship Development Cell. The programme was started by welcoming the guest Mr. T. Suresh by the Head of the department and then honored the guest by Principal.

The workshop mainly is discussed about the 2D and 3D modeling for developing drawing skills as follows

- Industry oriented modelling
- Real life part modeling
- Perspective drawings
- Orthographic and Isometric drawings

This workshop will bring a positive transformation in the students and Faculty member's on part modelling and get them more focused. Finally, the Head of the Department, Mechanical Engineering concluded the session by delivering the vote of thanks.

## Report:

### Department of Mechanical Engineering

#### One Day workshop on "Advances in Structural Modeling"

The one day workshop on "Advances in Structural Modeling" was organized on 28.12.2017 for all students at 10 am by Department of Mechanical Engineering through Entrepreneurship Development Cell. The programme was started by welcoming the guest Mr. A. Chandru by the Head of the department and then honored the guest by Principal.

The workshop agenda highly contributes about the Advances in Structural Modeling as follows,

- Structure for strength
- Structure for stiffness
- Structure for stability
- Economical and aesthetic design
- Hands-on-Training on the structural analysis

This workshop will bring a positive transformation in the Faculty member's attitude in their UG/PG Projects and research works and get them more focused as well as result oriented. Finally, the Head of the Department, Mechanical Engineering concluded the session by delivering the vote of thanks.

Dear Sir,

Sub: Requesting permission for Internship Training of Mechanical Engineering Students–Reg.

## GREETINGS FROM KATHIR COLLEGE OF ENGINEERING

We are glad to introduce ourselves as one of the premier educational institution under Anna University, Chennai. As a part of our academic activities, the following students of IV year B.E, Mechanical Engineering are interested to undergo Internship training in your esteemed concern. We assure that they will follow all the instructions, during the training. We strongly believe that the internship can serve as a bridge between the educational institution and the industry, and to fulfill the changing employment needs and human resource requirements. We kindly request you to permit our students for the internship training in your esteemed concern.

Thanking you.
