Courses offered

UG

- ♥ B.E. Computer Science and Engineering
- ♥ B.E. Computer and Communication Engineering*
- ♥ B.E. Electronics and Communication Engineering
- ♥ B.E. Electrical and Electronics Engineering
- ♥ B.E. Mechanical Engineering
- ♥ B.Tech. Artificial Intelligence and Data Science

*Awaiting Approval

PG

- ♥ M.E. Computer Science and Engineering
- ♥ M.E. Applied Electronics
- ♥ M.E. Power Electronics and Drives
- ♥ M.E. Manufacturing Engineering
- ♥ M.B.A

Why Kathir College of Engineering?

- Education 4.0 Eco System For Purposeful Approach To Learning
- Real-Time Engineering Experience & T-Learning for Multi-Disciplinary Expertise
- Situated at a prime location in Neelambur, off Avinashi road & 24X7 accessible through public transport
- Practice Oriented Learning through AI driven Edu-Tech Platform
- Placements based on career aspirations
- Start-up studios for prospective entrepreneurs
- Equal Opportunities for Co-curricular & Extra-curricular activities
- Fee Waiver for meritorious students

About US

♥ Kathir College of Engineering (KCE) is an Education 4.0 enabled Institution, powered by E-Box Ed-Tech Platform with a vision to be in the forefront of Technical Education as an Orbit Shifter. We focus on imparting skill in niche areas to our students with an emphasis on the basic engineering concepts. We introduce concepts, exercises and real world problems and encourage the students to think both on the questions and the answers. We do this digitally and interactively. We collect data and analyze the students at every level from their steps in solutions to their overall answer, and also the time intervals between solving problems and understanding concepts. Based on this continuous study, we provide guidance and help students overcome hurdles. We want to address students with an entrepreneurial bent as well. Thus we are developing our model to intrinsically make them independent in finding solutions to real world problems. In view of all this, ensuring competence of the faculty is essential and we spend no less energy or thoughts for ensuring the same. We continuously develop and evaluate the faculty. After college hours, although the faculty and students are geographically separated, digitally they are interwoven.

Our Vision

♥ Strive to promote Excellence in Engineering Education and Research by developing our students as Real-Time Problem solvers thereby contributing to the societal needs.

Our Mission

- ♥ Promote excellence in Core and allied studies through Technology enabled Teaching and active learning practices.
- ♥ Develop multi-talented and committed human resources by providing research and development environment to innovate and find solutions for Real-Time Problems.
- ♥ Create socially responsible engineers with team-spirit / entrepreneurs with necessary leadership skills thus contributing towards a better world.

Institutional Accomplishments

Life at KCE

Our Action Plan

Attribute	Year 1	Year 2	Year 3	Year 4
Knowledge	Fundamental Courses	Core Courses	Core Courses	Elective Courses
Skill	TEL	Practice Sessions	CCT	Projects
Attitude	Group Activities	Soft Skills Training	Event Participation	Reaching Career Goals

Clubs & Social Activities
